

Patient-Provider Partnership Agreement

The health and wellness of our patients is a top concern of Thumb Coast Chiropractic, PC. Providing the best possible care to every patient is our primary goal. The only way we can meet this goal is if we, Thumb Coast Chiropractic, PC and you, the patient, work together. This concept is called the Patient Centered Medical Home.

Patient's Responsibilities:

- Ask questions, share your feelings and be part of your care
- Be honest about your history, symptoms, and other important information about your health
- Tell your provider about any changes in your health and well-being
- Follow your provider's instructions
- Make healthy decisions about your daily habits and lifestyle
- Prepare for, and keep, scheduled visits or reschedule visit in advance whenever possible
- Call your provider first with all problems, unless it is a medical emergency
- Leave every visit with a clear understand of your provider's expectations, treatment goals, and future plans
- For coordination of care purposes you authorize your provider to exchange your medical information(written or electronic), when appropriate, with other providers involved in your care

Provider's Responsibilities:

- Explain diseases, treatments, and results in an easy-to-understand way
- Listen to your feelings and questions; help you make the best decisions about your care
- Keep treatments, discussions, and records private
- Provide care and same day appointments, whenever possible
- To care for you to the best of my abilities based on my understanding of current chiropractic methods available
- Give my patients clear directions about treatments
- Send my patients (along with appropriate medical information) to trusted experts, when needed
- End every visit with clear instructions about expectations, treatment goals, and future plans
